

COPUOS 64th Session Side Event

Thursday 02 September 2021, 10:00-10:20 CEST

Space Sustainability: Stakeholder Engagement Study

The Stakeholder Engagement Study captures the views of over 50 key stakeholders from the global space community exploring the subject of space sustainability. UNOOSA and the UAE Space Agency will present the study, which will be made available on UNOOSA website.

Programme:

- Simonetta di Pippo, Director, UNOOSA
- Hamad Alkaabi, Ambassador, UAE Permanent Representative to UN and International Organizations
- Naser Al Rashedi, Director of Space Policy and Regulations, UAESA
- Presentation of study
