Nations in Vienna

AUSTRIA, ITEM 16

Other matters

64. COPUOS (25.08. – 03.09.2021)

Mister Chair,
Distinguished delegates,
Ladies and Gentlemen

Austria congratulates the working group on the “Space2030” Agenda and its chair to have finalized its report and therefore proposes, also with regard to the foreseeable admission of the hundredth member of the COPUOS, that the prosperous work of the UNOOSA should also be referred to during the next High Level Political Forum (HLPF) in July 2022 in New York. Therefore, Austria proposes, through guidance by the chair, to prepare, with agreement of the member states, a text to be included into next year’s ministerial declaration of the High Level Political Forum.

Thank you
