

SPACE GENERATION ADVISORY COUNCIL

In Support of the United Nations Programme on
Space Applications

SPACE LAW AND POLICY PROJECT GROUP

The SGAC's involvement in the legal, policy, and political aspects of outer space.

About Our Project Group

- **The Space Law and Policy Group has identified the following goals for overall use when deciding what projects and activities to engage upon:**
 - Engage in critical debates about actual legal and policy aspects concerning space activities
 - Investigate legal and regulatory challenges faced by the space community
 - Propose space-related policy recommendations
 - Address potentially emerging questions and issues in the space sector
 - Develop research papers regarding trend questions and issues of the space community
 - To contribute and collaborate with the space community on multidisciplinary topics
