

EUROPEAN UNION

STATEMENT

Agenda Item 17

Fifty-Eighth Session of the Scientific and Technical Subcommittee

(28 April 2021)

The EU and its Member States take note of CRP.17: Recommendations to Keep Dark and Quiet Skies for Science and Society; and of CRP.24: Proposal for a single Issue/Item for discussion at the fifty-ninth session of the Scientific and Technical Subcommittee in 2022 on: “General Exchange of Views regarding Satellite System Effects upon Terrestrial-Based Astronomy”, and thank all those involved for their preparation and submission.

The EU and its Member States support the proposal in the CRP.24 for an ad hoc Agenda Item at the 59th session of the Scientific and Technical Subcommittee in 2022 on “General Exchange of Views regarding Satellite System Effects upon Terrestrial-Based Astronomy”.
