Symposium

A symposium on the theme “Regulatory needs for very small satellites”, will be held today, Monday 24 March 2014, in the Board Room D, at 3:00 p.m.

The Symposium will be co-chaired by the Presidents of the International Institute of Space Law (IISL) and the European Center for Space Law (ECSL).

Presentations will be made on the following subjects: “Status and overview on very small satellites: Definition, purposes, and Projects”, “Small satellites for scientific-technical development and capacity building”, “International space law and the authorization on the national level”, “Frequency management on the international and at the national level”, “Requirements for debris mitigation” and “A best practice case study”.

Concluding remarks will be made by the Chair of the Legal Subcommittee and by the Co-Chairs of the Symposium.
